Purpose

Purpose for Title VI Program

As a subrecipient of federal funds administered by the Federal Transit Administration (FTA) and/or the Federal Highway Administration (FHWA) from the State of Wisconsin the Mississippi River Regional Planning Commission (MRRPC) is required to comply with *Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987*, and all related regulations and statutes.

In addition, the MRRPC is required to comply with *Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted Programs of the U.S. Department of Transportation*.

The purpose of these regulations is to assure that no person or groups of persons shall, on the grounds of race, color or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any and all programs, services, or activities administered by the MRRPC, regardless of whether those programs and activities are federally funded or not. In addition, that the MRRPC will provide meaningful access to services for persons with Limited English Proficiency.

Format of Title VI Program

This Title VI Program is formatted to the requirements found in *FTA Circular 4702.1B "Title VI Requirements and Guidelines for Federal Transit Administration Recipients*.

The next section addresses the requirements for chapters III and VI of the Circular as they pertain to requirements and guidelines for the MRRPC. Each "requirement" includes verbatim language from the Circular in italics followed by a discussion of how the MRRPC meets the requirement.

FTA Circular 4702.1B Title VI Requirements and Guidelines

Chapter III: General Requirements and Guidelines

2. REQUIREMENT TO PROVIDE TITLE VI ASSURANCES

“In accordance with 49 CFR Section 21.7(a), every application for financial assistance from FTA must be accompanied by an assurance that the applicant will carry out the program in compliance with DOT’s Title VI regulations.”

The MRRPC Title VI Assurances are included with this program in **Appendix A**.

3. REQUIREMENTS FOR FIRST-TIME APPLICANTS

Not applicable.

4. REQUIREMENT TO PREPARE AND SUBMIT A TITLE VI PROGRAM

“Title 49 CFR Section 21.9(b) requires recipients to ‘keep such records and submit to the Secretary timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the Secretary may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this [rule].’ ...For all recipients (including subrecipients), the Title VI Program must be approved by the recipient’s board of directors or appropriate governing entity or official(s) responsible for policy decisions prior to submission to FTA....Recipients shall submit a copy of the board resolution, meeting minutes, or similar documentation with the Title VI Program as evidence that the board of directors or appropriate governing entity or official(s) has approved the Title VI Program.

MRRPC Title VI activities will be reported to MRRPC Commissioners annually at the December MRRPC Commission meeting and documented in meeting minutes. Annually, at the December Commission Meeting the MRRPC will self-certify compliance with Title VI requirements. Meeting minutes will be submitted to the Wisconsin Department of Transportation (per request) and will be available on the MRRPC website. A copy of the MRRPC Title VI Program is also available on the MRRPC website.

A copy of the MRRPC resolution approving this Title VI Program is included in **Appendix B**.

The requirements included in the “contents” part of this section (Section 4 Requirement to Prepare and Submit a Title VI Program) are also included and addressed in Sections 5 – 12 below, or are not applicable.

5. REQUIREMENT TO NOTIFY BENEFICIARIES OF PROTECTION UNDER TITLE VI

“Title 49 CFR Section 21.9(d) requires recipients to provide information to the public regarding the recipient’s obligations under DOT’s Title VI regulations and apprise members of the public of the protections against discrimination afforded to them by Title VI. Recipients shall disseminate this information to the public through measures that may include but are not limited to: posting a Title VI notice on the agency’s Web site, at the agency’s office, at stations or stops, and/or on transit vehicles.”

The MRRPC Title VI notice is included in **Appendix C** and is posted on the MRRPC website and at the MRRPC office. The MRRPC does not provide transit services; other requirements of this section are not applicable.

6. REQUIREMENT TO DEVELOP TITLE VI COMPLAINT PROCEDURES AND COMPLAINT FORM

“In order to comply with the reporting requirements established in 49 CFR Section 21.9(b), all recipients shall develop procedures for investigating and tracking Title VI complaints filed against them and make their procedures for filing a complaint available to members of the public upon request. Recipients must also develop a Title VI complaint form.”

The MRRPC Title VI complaint procedures are in **Appendix D**, and the MRRPC Title VI complaint form is in **Appendix E**. The complaint procedure and complaint forms are posted on the MRRPC website and at the MRRPC office.

7. REQUIREMENT TO RECORD AND REPORT TRANSIT-RELATED TITLE VI INVESTIGATIONS, COMPLAINTS, AND LAWSUITS.

“In order to comply with the reporting requirements of 49 CFR Section 21.9(b), FTA requires all recipients to prepare and maintain a list of any of the following that allege discrimination on the basis of race, color, or national origin: active investigations conducted by entities other than FTA; lawsuits; and complaints naming the recipient.”

A standard report for annual reporting of Title VI Investigations, Complaints, and Law suits i.e. is found in **Appendix F**. Annual reports will be placed on file at the MRRPC office as a means to track Title VI investigations, complaints and lawsuits.

There have been no Title VI investigations, complaints or lawsuits filed with the MRRPC.

8. PROMOTING INCLUSIVE PUBLIC INVOLVEMENT.

The MRRPC encourages inclusive public participation in preparation of all planning documents and programs. The following public participation plan identifies efforts the MRRPC utilizes to gain inclusive public involvement.

MRRPC Public Participation Plan

To promote inclusive public participation in its planning activities, the MRRPC employs the following strategies, as appropriate:

■Coordination & Consultation

- The MRRPC will consult with agencies and officials responsible for other planning activities within the planning area that are affected by transportation in the development of transportation plans/programs, including Indian Tribal governments and Federal land management agencies, if applicable.
- The MRRPC will coordinate public involvement and consultation processes with applicable statewide transportation planning activities/processes.

■Accessibility & Information

- The MRRPC will hold public meetings at convenient and accessible locations and times.
- The MRRPC will make public information available in electronically accessible format and utilize social media (when applicable) in addition to other resources as a way to gain public involvement.
- The MRRPC will provide reasonable public access to technical and policy information used in the development of transportation plans/programs.
- The MRRPC will (when applicable) employ visualization techniques to describe transportation plans/programs.

■Timeliness

- The MRRPC will provide timely information about transportation issues and processes to all concerned stakeholders, including affected public agencies, private providers of transportation, and other interested parties and segments of the community affected by transportation plans/programs.
- The MRRPC will provide adequate public notice of public involvement activities and time for public review and comment. Public notices of meetings will be placed on the MRRPC website, emailed to persons/agencies on the MRRPC's diversified contact list, and published in local newspapers (when applicable). Additional notification methods will be utilized as appropriate.

■Public Comment

- The MRRPC will demonstrate explicit consideration and response to public input received during the development of transportation plans/programs.

-The MRRPC will provide an additional opportunity for public comment if the final transportation plans/programs differ significantly from the versions that were initially made available for comment.

-The MRRPC will include as part of the final transportation plans/programs a summary on the disposition of significant written or oral comments received on draft plans and programs.

■Evaluation

-The MRRPC will review the effectiveness of the public participation activities so as to ensure a full and open participation process.

-Public outreach efforts at a minimum will be conducted bi-monthly (six times a year) as part of the MRRPC Commission meetings. In 2018 and beyond this will include MRRPC Commission meetings in February, April, June, August, October, and December.

-The MRRPC will document and maintain public outreach efforts on the following table.

STAKEHOLDERS

To reach all interested parties, the MRRPC has identified the following stakeholder groups as important participants in the public participation process for MRRPC transportation plans/programs:

Minority Populations

Minorities are defined as non-white persons within the Race and Hispanic or Latino Origin variable of the decennial census or ACS when applicable. Block groups whose non-white population has been determined to be significantly greater than the planning area average will be identified as areas of potential disproportionate impact.

Within the minority community reside those who may have limited English proficiency.

Limited English Proficient (LEP)

President Clinton signed Executive Order 13166, *Improving Access to Services for Persons with Limited English Proficiency*, in August of 2000. This order requires that any agency that receives federal funds to establish a means of including Limited English Proficiency (LEP) persons in the planning process. The Attorney General for Civil Rights subsequently issued the guidance document, *Enforcement of Title VI of the Civil Rights Act of 1964—National Origin Discrimination Against Persons with Limited English Proficiency* [Department of

Justice (DOJ) LEP Guidance], to assist agencies in “taking reasonable steps to ensure ‘meaningful’ access to the information and services they provide.”

According to the DOJ LEP Guidance, “reasonable steps to ensure meaningful access” depend on a number of factors:

- The number or proportion of LEP persons that may be impacted by a project or program;
- The frequency with which LEP persons come in contact with the project or program;
- The importance of the service provided by the project or program; and
- The resources available to the receiving agency.

Anyone in need of interpretive services may contact the MRRPC office at 608-785-9396.

9. REQUIREMENT TO PROVIDE MEANINGFUL ACCESS TO LEP PERSONS.

“Taken together, Title VI of the Civil Rights Act of 1964, its implementing regulations, and Executive Order 13166, “Improving Access to Services for Persons with Limited English Proficiency,” require recipients to take reasonable steps to ensure meaningful access to benefits, services, information, and other important portions of their programs and activities for individuals who are Limited English Proficient (LEP).”

The MRRPC Limited English Proficiency Plan is included as **Appendix G**. The Limited English Proficiency Plan includes consideration of the Four Factor Analysis, Language Implementation Plan, and Safe Harbor Provision sections of Requirement 8.

10. MINORITY REPRESENTATION ON PLANNING AND ADVISORY BODIES.

“Title 49 CFR Section 21.5(b)(1)(vii) states that a recipient may not, on the grounds of race, color, or national origin, “deny a person the opportunity to participate as a member of a planning, advisory, or similar body which is an integral part of the program.” Recipients that have transit-related, non-elected planning boards, advisory councils or committees, or similar decision-making bodies must provide a table depicting the racial breakdown of the membership of those bodies, and a description of efforts made to encourage the participation of minorities on such decision-making bodies.”

The MRRPC Commission is the sole decision-making body of the MRRPC. The Commission is comprised of three members from each of the nine counties in the MRRPC. MRRPC Commissioners are appointed to the commission by the Governor’s Office and County Boards.

Title VI Program / Limited English Proficiency Plan

MRRPC staff encourages participation by all groups by invitation to bi-monthly meetings, public information meetings, etc. as outlined in the Public Participation Plan. Contacts are maintained in e-mail distribution lists and mail address lists.

Minority representation on MRRPC Commission is illustrated in Table 1. We recognize that the minority representation on our Commission is not reflective of the minority representation of our planning area, but members of minority groups are invited to attend commission meetings (i.e. Ho Chunk Nation, local chapter of the NAACP). MRRPC staff encourages participation by all groups by invitation to bi-monthly meetings and public information meetings. All Commission meetings are open to the public and meeting notices are posted on the MRRPC website and mailed to media outlets.

Not applicable; MRRPC is a subrecipient.

12. MONITORING SUBRECIPIENTS.

Chapter VI: Requirements for Planning Organizations

2. REQUIREMENT TO PREPARE AND SUBMIT A TITLE VI PROGRAM.

“For all recipients (including subrecipients), the Title VI Program must be approved by the recipient’s board of directors or appropriate governing entity or official(s) responsible for policy decisions prior to submission to FTA. FTA will review and grant approval or conditional approval for Title VI Programs. Subrecipients, including MPOs that receive Federal planning money from the State, shall submit Title VI Programs to the State as the primary recipient from whom they receive funding, in order to assist the State in its compliance efforts.”

A copy of the MRRPC resolution approving this Title VI Program is included in Appendix B:

In its regional transportation planning capacity, the MRRPC shall submit to the State, as a sub-recipient:

(1) The information required under section 4 of chapter III (General Requirements) of this Circular (included above);

(2) A demographic profile of the Region that includes identification of the locations of minority populations as covered by Title VI:

The MRRPC uses the RACE AND HISPANIC OR LATINO ORIGIN variable from the U.S. Census to determine the distribution of minority and white populations as summarized in Table 2. Minorities are defined as Black or African American Alone, American Indian and Alaska Native Alone, Native Hawaiian or Other Pacific Islander Alone, Some Other Race Alone, and Two-or-more Races. Persons of Hispanic or Latino origin may be of any race.

(1) Minority race categories include Black or African American Alone, American Indian or Alaska Native Alone, Asian, Native Hawaiian or Other Pacific Islander Alone, Some Other Race Alone, and Two or More Races. Persons of Hispanic or Latino origin may be of any race.

(2) Minority population includes all persons of minority races and the white race with Hispanic or Latino origin.

Source: U.S. Census Bureau, 2011-2015 American Community Survey 5 Year Estimates

(3) A description of the procedures by which the mobility needs of minority populations are identified and considered within the planning process:

The procedures by which the mobility needs of minority populations are identified and considered in the MRRPC planning process include 1) public outreach and 2) Statistical/Mapping analysis.

Public outreach involves inviting members of minority organizations to participate on our committees and in planning activities (i.e. public input meetings, focus groups). We maintain a distribution list of contacts that includes persons from the Ho Chunk Nation,

the local chapter of the NAACP, the Hmong Mutual Assistance Association, etc. to name a few.

Statistical/Mapping analysis is used to identify the location(s) of minority persons.

Other requirements of Section 2 are not applicable for the MRRPC as a subrecipient.

(4) Demographic maps that overlay the percent minority and non-minority populations and charts that analyze the impacts of the distribution of State and Federal funds for public transportation purposes.

Figure 1 illustrates the census tracts in the planning area that have a percent minority higher than the percent minority of the planning area (6.7%). The MRRPC is a planning organization and does not operate a public transit system or have approval authority over transportation or transit related projects. As highlighted in the MRRPC Public Participation Plan, efforts are made to reach and notify all persons.

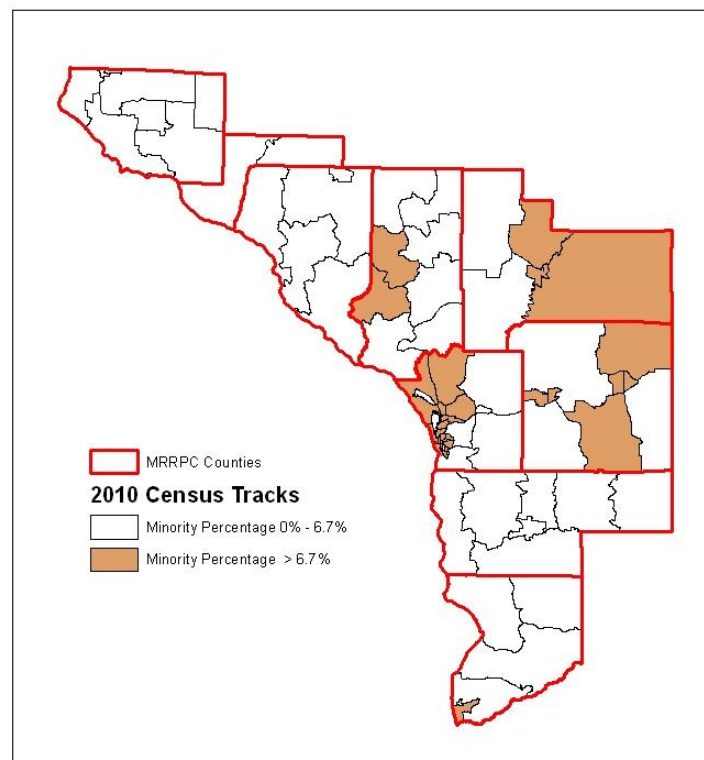

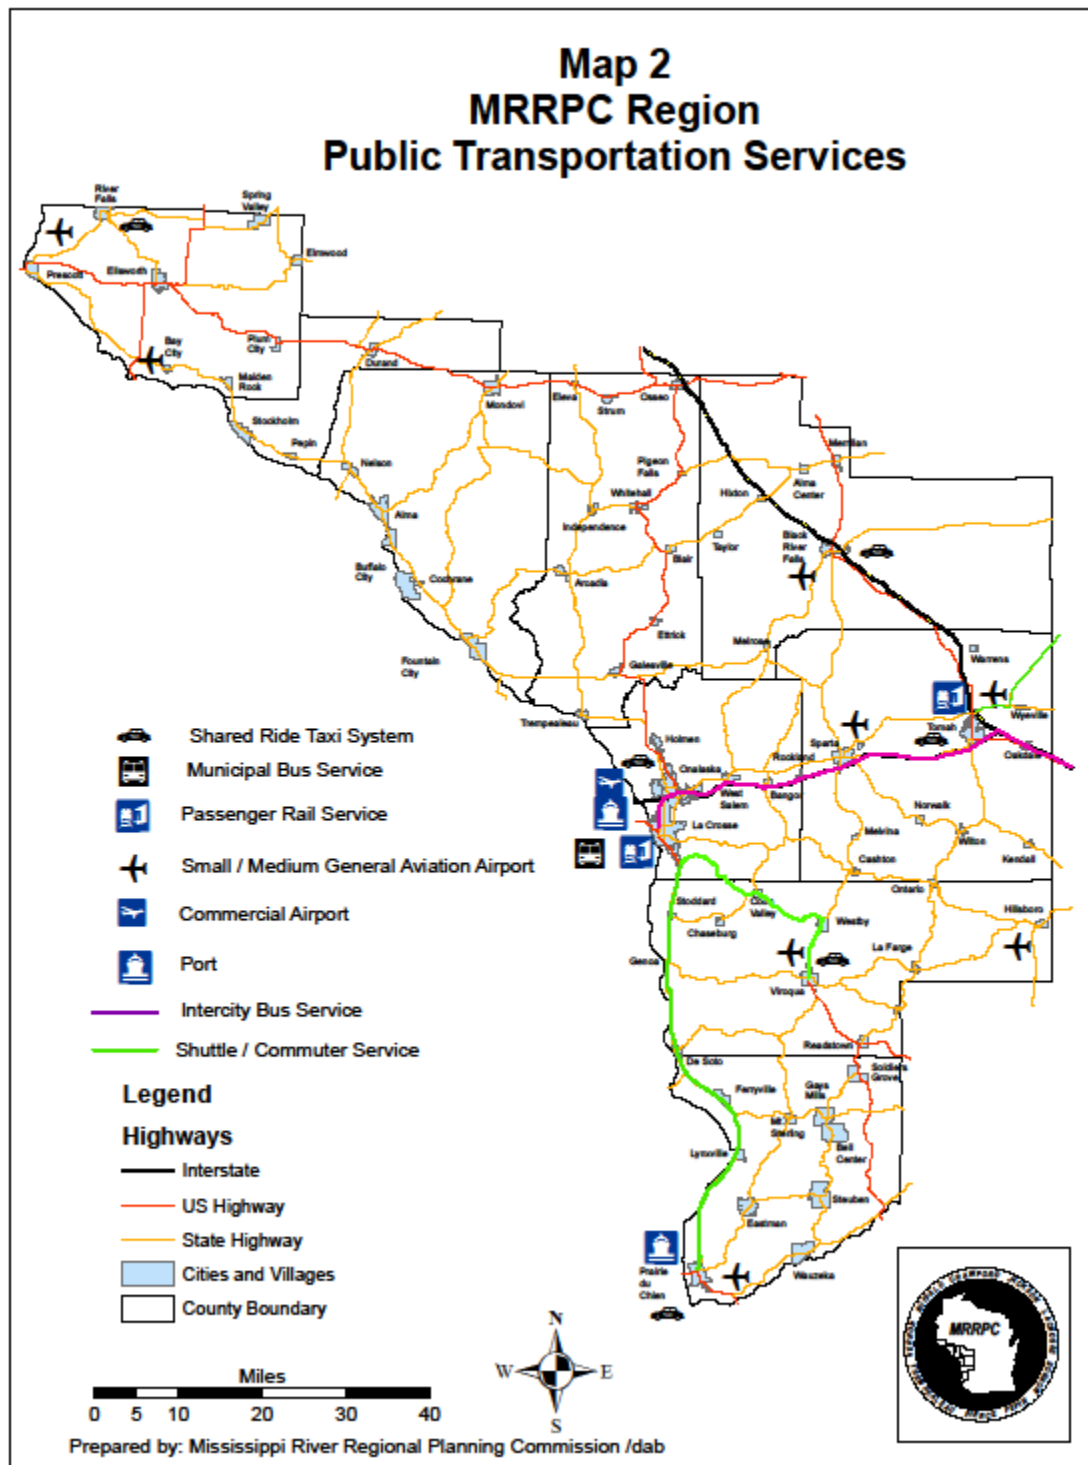

Figure 1: Census Tracts with a percent minority greater than the percent minority of the planning area.

(5) An analysis of impacts identified in paragraph (4) that identifies any disparate impacts on the basis of race, color, or national origin, and, if so, determines whether there is a substantial legitimate justification for the policy that resulted in the disparate impacts, and if there are alternatives that could be employed that would have a less discriminatory impact.

Taken in whole, publicly funded transportation services provided in the MRRPC Region do not propose disproportionately high and adverse impacts on minority populations. The benefits of the transportation services and improvements provided are reasonably distributed as illustrated in Figure 2 to serve the needs of all populations in the area.

3. PLANNING.

“All MPOs are responsible for conducting planning activities that comply with 49 U.S.C. Section 5303, Metropolitan Transportation Planning, as well as subpart C of 23 CFR part 450, Metropolitan Transportation Planning and Programming, for a specified metropolitan planning area.”

U.S. Department of Transportation regulations provide for self-certification that the planning activities of the MRRPC are being carried out in conformance with these and other applicable requirements. This self-certification is included in the annual MRRPC Planning Work Program and certified in the Work Program’s approval by the Wisconsin DOT and the MRRPC.

4. DESIGNATED RECIPIENT.

Not applicable; MRRPC is a subrecipient.

5. DIRECT RECIPIENT.

Not applicable; MRRPC is a subrecipient.

6. REQUIREMENTS FOR PROGRAM ADMINISTRATION.

Not applicable; MRRPC is a subrecipient.

Appendix D: MRRPC Title VI Complaint Procedures

The scope of Title VI covers all external MRRPC activities. Adverse impacts resulting in Title VI complaints can arise from many sources, including advertising, bidding, and contracts.

Complaints can originate from individuals or firms alleging inability to bid upon or obtain a contract with MRRPC for the furnishing of goods and/or services. Examples include advertising for bid proposals; prequalification or qualification; bid proposals and awards; selection of contractors, subcontractors, material and equipment suppliers, lessors, vendors, consultants, fee appraisers, universities, etc.

Complaints can originate as a result of project impacts on individuals or groups. For example, social and economic, traffic, noise, air quality, access, accidents, and failure to maintain facilities.

The MRRPC Title VI Policy assures that no person or groups of persons shall, on the grounds of race, color or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any and all programs, services, or activities administered by MRRPC, its recipients, subrecipients, and contractors. In addition, Executive Order 12898 (Environmental Justice) prohibits discrimination based on income status.

MRRPC uses the following procedures for prompt processing of all Title VI complaints received directly by it. These procedures include but are not limited to:

Any person who believes she or he has been discriminated against on the basis of race, color, or national origin by the Mississippi River Regional Planning Commission may file a Title VI complaint by completing and submitting the agency's Title VI Complaint Form. The Mississippi River Regional Planning Commission investigates complaints received no more than 180 days after the alleged incident. The Mississippi River Regional Planning Commission will process complaints that are complete.

Once the complaint is received, the Mississippi River Regional Planning Commission will review it to determine if our office has jurisdiction. The complainant will receive an acknowledgement letter informing her/him whether the complaint will be investigated by our office.

Title VI Program / Limited English Proficiency Plan

The Mississippi River Regional Planning Commission (MRRPC) has 60 days to investigate the complaint. If more information is needed to resolve the case, the city may contact the complainant.

The complainant has 15 business days from the date of the letter to send requested information to the investigator assigned to the case.

If the investigator is not contacted by the complainant or does not receive the additional information within 15 business days, the MRRPC can administratively close the case. A case can be administratively closed also if the complainant no longer wishes to pursue their case.

After the investigator reviews the complaint, she/he will issue one of two (2) letters to the complainant: a closure letter or a letter of finding (LOF).

- ✓ A closure letter summarizes the allegations and states that there was not a Title VI violation and that the case will be closed.
- ✓ A letter of finding (LOF) summarizes the allegations and the interviews regarding the alleged incident, and explains whether any disciplinary action, additional training of the staff member, or other action will occur.

If the complainant wishes to appeal the decision, she/he has 15 days after the date of the letter or the LOF to do so.

A person may also file a complaint directly with the Federal Transit Administration, at FTA Office of Civil Rights, 1200 New Jersey Avenue SE, Washington, DC 20590.

Appendix G: MRRPC Limited English Proficiency Plan

Plan Summary

This *Limited English Proficiency Plan* has been prepared to address MRRPC's responsibilities as a recipient of federal financial assistance as they relate to the needs of individuals with limited English language skills. The plan has been prepared in accordance with Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, et seq, and its implementing regulations, which state that no person shall be subjected to discrimination on the basis of race, color or national origin.

Executive Order 13166 titled, *Improving Access to Services for Persons with Limited English Proficiency*, indicates that differing treatment based upon a person's inability to speak, read, write, or understand English is a type of national origin discrimination. It directs each agency to publish guidance for its respective recipients clarifying their obligation to ensure that such discrimination does not take place. This order applies to all state and local agencies which receive federal funds.

MRRPC has developed its *Limited English Proficiency Plan* to help identify reasonable steps for providing language assistance to persons with limited English proficiency (LEP) who wish to access services provided. As defined by Executive Order 13166, LEP persons are those who do not speak English as their primary language and have limited ability to read, speak, write or understand English. This plan outlines how to identify a person who may need language assistance, the ways in which assistance may be provided, staff training that may be required, and how to notify LEP persons that assistance is available.

In order to prepare this plan, MRRPC used the four-factor LEP analysis which considers the following factors:

1. The number or proportion of LEP persons in the MRRPC Region who may be served by the MRRPC.
2. The frequency with which LEP persons come in contact with MRRPC programs or services.
3. The nature and importance of programs or services provided by MRRPC to the LEP population.
4. The interpretation services available to MRRPC and overall cost to provide LEP assistance. A summary of the results of the four-factor analysis is in the following section.

Meaningful Access: Four-Factor Analysis

1. The number or proportion of LEP persons in the service area who may be served or are likely to require MRRPC services.

The MRRPC staff obtained data from the 2011-2015 American Community Survey 5-year estimates for LANGUAGE SPOKEN AT HOME for each county in the MRRPC Region. Table G1 below shows the number and percent of population in the Spanish and Hmong population groups that speak English "Less than very well" by county in the region. As illustrated in La Crosse County the Hmong and Hispanic populations meets the Safe Harbor Threshold (over 1,000) and the MRRPC will provide translation of vital documents in written formats as applicable.

Table G1 - LANGUAGE SPOKEN AT HOME BY ABILITY TO SPEAK ENGLISH FOR THE POPULATION 5 YEARS AND OVER - Universe: Population 5 years and over

	Total Population	Speak only English	Speak English "Less than Very Well"			
			Spanish	%	Hmong	%
Buffalo County	12,597	12,234	143	1.14%	0	0.00
Crawford County	15,644	15,174	53	0.34%	0	0.00
Jackson County	19,312	18,078	125	0.65%	0	0.00
La Crosse County	110,940	102,695	1,183	1.07%	1,495	1.35%
Monroe County	42,065	38,581	730	1.74%	0	0.00
Pepin County	6,956	6,561	30	0.43%	0	0.00
Pierce County	38,628	37,357	151	0.39%	54	0.14%
Trempealeau County	27,429	25,403	758	2.76%	27	0.10%
Vernon County	28,165	24,879	133	.47%	0	0.00

Source: 2011-2015 American Community Survey 5-Year Estimates

Note: Less than 1% of all other population groups speak English "Less than Very Well". No other population group other than the Hmong and Hispanic populations in La Crosse County exceeds the 1,000 population threshold for speaking English "Less Than Very Well".

2. The frequency with which LEP persons come in contact with MRRPC services or programs.

MRRPC staff reviewed the frequency with which its Commission, staff, and contractors have, or could have, contact with LEP persons. This includes documenting phone inquiries or office visits. To date, the MRRPC has had no requests for interpreters and no requests for translated program documents. The MRRPC Commission and staff have had very little contact with LEP persons.

3. The nature and importance of services and programs provided by MRRPC to the LEP population.

The overwhelming majority of the population 5 years and over in the MRRPC Region, 93.5%, speaks only English. As a result, there are few social services or professional and leadership organizations in the MRRPC Region that focus on outreach to LEP individuals. MRRPC Commissioners and staff are most likely to contact LEP individuals through public meetings and other general public involvement opportunities.

4. The resources available to MRRPC and overall costs to provide LEP assistance.

MRRPC has reviewed its available resources that could be used for providing LEP assistance. The resources include access to Hmong language assistance through the La Crosse County and access to additional interpretive services through member County agencies.

Language Assistance

A person who does not speak English as their primary language and who has a limited ability to read, write, speak or understand English may be a Limited English Proficient person and may be entitled to language assistance with respect to MRRPC's programs and services. Language assistance can include interpretation, which means oral or spoken transfer of a message from one language into another language and/or translation, which means the written transfer of a message from one language into another language.

How MRRPC staff may identify an LEP person who needs language assistance:

- Post notice of LEP Plan and the availability of interpretation or translation services free of charge in languages LEP persons would understand.
- MRRPC staff will be provided with "I Speak" cards to assist in identifying the language interpretation needed if the occasion arises.
- MRRPC staff will be informally surveyed periodically on their experience concerning any contacts with LEP persons during the previous year.
- A notice will be posted on the MRRPC website and at the MRRPC office specifying that special needs related to offering a translator (LEP) or interpreter (sign language for hearing impaired individuals) will be available when MRRPC sponsors an informational meeting or event. Additionally, a staff person may greet participants as they arrive. By informally engaging participants in conversation it is possible to gauge each attendee's ability to speak and understand English. Although translation may not be able to be provided at the event it will help identify the need for future events.

Language Assistance Measures

Although there is a low percentage in the MRRPC Region of LEP individuals, that is, persons who speak English “less than very well” MRRPC will strive to offer the following measures:

1. The MRRPC staff will take reasonable steps to provide the opportunity for meaningful access to LEP clients who have difficulty communicating English.
2. The following resources will be available to accommodate LEP persons:
 - Interpretive services, within reason, will be provided for public meetings, if advance notice is provided to the MRRPC and such services are readily available;
 - The MRRPC will make translated versions (or provide for the interpretation of relevant sections) of all documents/publications available upon request, within a reasonable time frame and if resources permit.

Staff Training

The following training will be provided to all MRRPC staff:

- Information on the Title VI Policy and LEP responsibilities.
- Description of language assistance services offered to the public.
- Use of the “I Speak” cards.
- Documentation of language assistance requests.
- How to handle a potential Title VI/LEP complaint.

Translation of Documents

MRRPC weighed the cost and benefits of translating documents for potential LEP groups. Considering the expense of translating the documents, the likelihood of frequent changes in documents and other relevant factors, MRRPC will consider the translation of documents (or portions thereof) on a case by case basis, as requested.

When and if the need arises for LEP outreach related to MRRPC’s programs and services, it will coordinate with the municipalities in the MRRPC Region to determine an appropriate course of action in regard to existing interpretive and outreach resources available.

Monitoring

MRRPC will review the LEP Plan annually with its self-certification procedure per 23 CFR 450.334. An annual review and update (if appropriate) will include the following:

- The number of documented LEP person contacts encountered annually.
- How the needs of LEP persons have been addressed.
- Determination of the current LEP population in the service area.
- Determination whether the need for translation services has changed.
- Determine whether local language assistance programs have been effective and sufficient to meet the need.
- Determine whether MRRPC's financial resources are sufficient to fund language assistance resources needed.
- Determine whether MRRPC fully complies with the goals of this LEP Plan.
- Determine whether complaints have been received concerning the agency's failure to meet the needs of LEP individuals.

Notice of MRRPC'S LEP Plan

The MRRPC will provide notice of the LEP Plan by:

- Posting notice of the LEP Plan signs at conspicuous and accessible locations in the MRRPC's office notifying LEP persons of the LEP Plan and how to access language services.
- Including as part of public notices and related materials on the MRRPC website that LEP persons needing interpretative service may contact the MRRPC.
- Posting the LEP Plan on the MRRPC website.
