

Mississippi River Regional Planning Commission Staff Report on Projects for the Bimonthly Meeting on 6.10.2020

	Agenda Topic or Project Name	Purpose, Benefit, Project deliverables, and Contract Amount	Project Time Period	Project Status	Contact
1	Roll Call	Confirm a quorum	Today's Meeting	NA	NA
2	Minutes of last MRRPC Bimonthly Meeting	Confirm past meetings decisions and outcomes	Today's Meeting	NA	NA
3	Treasurer's Report	Present all financial transactions occurring in all accounts that includes: (1) Operational funds (checking, savings, CDs) (2) The four business Revolving Loan Funds and (3) the Disaster Recovery Microloan Fund.	Today's Meeting	(1) Review operational fund transaction activity that include: Checking, savings and certificate of deposit transactions. (2) Review transaction activity in the four federally funded business revolving loan funds that were awarded to the MRRPC between 1989 and 1995 to assist in overcoming rural economic distress and flooding. (3) Review transaction activity in the Disaster Recovery Microloan program funded from Wisconsin Economic Development Corporation – WEDC.	Dave Bonifas Director 608.785.9396 dave@mrrpc.com
4	Report on US Department of Commerce – Economic Development Administration (EDA) grant for economic recovery planning, engineering, real estate appraisal, engineering and environmental assessment activity for the Villages of Ontario, La Farge, Viola and Readstown.	Economic Recovery Planning is needed by the flood impacted communities of Ontario, La Farge, Viola and Readstown. The following Planning Activities are proposed to assist these communities with economic recovery and long term sustainability: (1) site relocation decision research, (2) site design for community economic development and resettlement, (3) community facility assessment engineering and design, (4) public infrastructure engineering assessment and design, (5) project cost estimating, (6) real estate appraisal, (7) environmental assessment and (8) public participation.		Grant application was submitted in June 2019. We received a letter from EDA notifying us that the project merits further consideration on October 18, 2019. A December 2, 2019 e-mail from EDA requested additional. The total project will be \$925,000 with \$185,000 in local match. The MRRPC received a letter dated January 10, 2020 that EDA has approved the grant. An RFP was sent out in February with a return date of April 10 th . Each Village received 9 proposals. Each Village met separately and selected who they wanted to have as a consultant. Staff is working on a contract for the work to be completed.	Dave Bonifas Director 608.785.9396 dave@mrrpc.com
5	Report on City of Mondovi Industrial Park EDA Applications.	The City of Mondovi is pursuing Federal EDA grants to develop new industrial park. Mondovi's New Industrial Park will be located on the City's West side it will be 210 acres in size and serve an expanding industry that will locate there and create 25 jobs. Included within the boundary of the industrial park will	In progress	MRRPC staff is presently assisting with the grant applications. Mondovi has postponed this project until further notice. 		be the City's new wastewater treatment facility that will use an anerobic digester that will also generate electricity for the City. The total project cost is expected to be \$7.5 million with 50% the costs hopefully covered by a Federal EDA grant.			
6a	Report on City of Westby Industrial Park EDA Applications.	The Cities of Mondovi and Westby are both pursuing Federal EDA grants to develop new industrial parks. Mondovi's New Industrial Park will be located on the City's West side it will be 210 acres in size and serve an expanding industry that will locate there and create 25 jobs. Included within the boundary of the industrial park will be the City's new wastewater treatment facility that will use an anerobic digester that will also generate electricity for the City. The total project cost is expected to be \$7.5 million with 50% the costs hopefully covered by a Federal EDA grant. The City of Westby is planning a 74 acre industrial park on the north side with costs totaling \$4.3 million, hoping that an EDA grant will cover 80% the costs due to disaster declaration.	Westby's grant application was submitted on October 3, 2019. Requested additional information was submitted on November 30, 2019.	Westby's Grant application was submitted on October 3, 2019. EDA announced the financial award for Westby April 21, 2020. A preliminary construction meeting was held with EDA, MRRPC Staff, Westby Staff, and Delta 3 Engineering. Initial paperwork is underway to secure the funding. MRRPC staff negotiated a contract with Westby for administrative costs.	Abbey Nicewander Planner 608.785.9396 abbey@mrrpc.com
7a	Jackson County Hazard Mitigation Plan	Update the Jackson County Multi-Hazard Mitigation Plan. \$30,000 federal grant approved requiring a \$10,000 match from MRRPC and Jackson County. The original plan was prepared to reduce costs and losses from natural disasters and some manmade disasters. This is an update to the existing plan. Inventories county's vulnerabilities to various types of disasters. The Plan Inventories and maps critical facilities and all structures in floodplains. The Plan develops projects and strategies to reduce losses from future disasters. Plans must be approved by DHS-FEMA and Wisconsin Emergency Management. Once the updated plan is approved, the county and other participating local governments are eligible for Federal and State Hazard Mitigation Grant programs.	August 2018 through March 2021	Jackson County received notification from FEMA in August that their grant application to update their existing plan has been approved. The final plan is due in March 2021. MRRPC staff has a draft of the plan finished. Public hearings and committee meetings have been postponed due to COVID-19. The plan is awaiting review by the emergency management committee and additional projects to be included.	Abbey Nicewander Planner 608.785.9396 abbey@mrrpc.com

7b	La Crosse County Hazard Mitigation Plan	Update the La Crosse County Multi-Hazard Mitigation Plan. \$31,331 federal grant approved requiring a \$10,444 match from MRRPC and La Crosse County. The original plan was prepared to reduce costs and losses from natural disasters and some manmade disasters. This is an update to the existing plan. Inventories county's vulnerabilities to various types of disasters. The Plan inventories and maps critical facilities and all structures in floodplains. The Plan develops projects and strategies to reduce losses from future disasters. Plans must be approved by DHS-FEMA and Wisconsin Emergency Management. Once the updated plan is approved, the county and other participating local governments are eligible for Federal and State Hazard Mitigation Grant programs.	August 2018 through March 2021	La Crosse County received notification from FEMA in August that their grant application to update their existing plan has been approved. The final plan is due in March 2021. MRRPC staff has a draft of the plan finished. Public hearings and committee meetings have been postponed due to COVID-19. The plan is awaiting review by the emergency management committee and additional projects to be included.	Abbey Nicewander Planner 608.785.9396 abbey@mrrpc.com
8	Scenic Mississippi Regional Transit (SMRT) bus serving Crawford, Vernon, Monroe, and La Crosse counties	Develop a fixed route public transportation service for Crawford, La Crosse, Monroe and Vernon Counties. Bus transportation will service commuters, elderly, disabled, medical appointments, and personal travel. Projected operating costs for 2019 are approximately \$420,000. Funding comes from a federal DOT grant, local governments, corporate donations, Bremer Foundation Grants and the fare box.	Service Began on December 3, 2012 - present	The SMRT Bus has been operating for over six years serving La Crosse, Vernon, Crawford, and Monroe Counties. In 2017 ridership decreased by about 6%. In 2018 ridership rebounded on the SMRT system and increased by 9% over 2017 ridership. Ridership in 2019 decreased approximately 10% over 2018 ridership numbers. In 2020, ridership numbers have been dramatically impacted by COVID restrictions, with 1649 riders in March, and 785 riders in April. SMRT has not reduced service due to CoVID. Our core ridership is health care employees, who obviously continue to need transportation. Having the Transit service available to them to reduce stress on their commute seems to be a significant factor in their quality of life. We have seen reduced ridership, but not significant reductions in demand. On July 19, 2019 The SMRT Bus system through La Crosse County as the applicant, was awarded a \$492,570 in federal funds to acquire 2 battery electric cutaway buses and associated infrastructure equipment to serve the SMRT system. SMRT routes	Bob Gollnik Senior Planner 608.785.9396 bob@mrrpc.com

				<p>continue to be analyzed by the WISDOT electric bus contractor to determine if electric buses are capable of serving its route distances and terrain. MRRPC staff assisted La Crosse County with the electric bus application and the successful Bremer Foundation grant to help cover operating costs. MRRPC has also assisted in electrification</p> <p>On May 13, 2019, the SMRT Bus system added a mid-day route between La Crosse-Tomah. The additional route will provide more flexibility for riders to use the bus for medical appointments, school, and daily activities. Providing three runs a day from La Crosse to Tomah and points in between.</p> <p>Consultations have taken place to develop a marketing plan for SMRT Bus services and will be supported by MRRPC.</p>	
8h	Buffalo County Hazard Mitigation Grant submittal	Update the Buffalo County Hazard Mitigation Plan. A grant application was submitted to WEM in the amount of \$40,000. Multi-Hazard Mitigation Plans are prepared to reduce costs and losses from natural disasters for counties and municipalities	2020-2022	The grant application was submitted to WEM in November 2019. WEM will review the application and select which plans will go to FEMA. The current Buffalo County Hazard Mitigation Plan expires in 2020. Due to number of disasters FEMA is behind in awarding grants. No timeline has been announced for awarding grants.	Dave Bonifas Director 608.785.9396 dave@mrrpc.com
